Dear Families,

The parking lot at the Weaver Learning Center is being repaved. Therefore, there will be no entrance to the school from Howe Road until further notice. Until the paving is complete, please enter through the Tallmadge Workshop entrance on Rte. 91. Please drive along the back of the building to the fenced in courtyard to drop off and pick up your family member. From there, staff will escort him/her into the building using the back entrance elevator. Please refer to the map on the reverse of this flyer for a visual image of these instructions. Staff will also be standing at various locations to guide you into the building.

Please DO NOT try to enter from Howe Road.

Thank you,

Tess Flannery
